RE: Advertising Campaign Materials

Dear Emily:

On October 23, 2001, the MDS Pharma Services Institutional Board considered and approved the 2001-2002 advertising campaign materials for the Lincoln Site with the exception of the one entitled "Make a difference for yourself or someone you love." This particular script is to be used at the site in Phoenix, Arizona and the Board felt that the sentence "...you can help improve the quality of life for yourself or someone close to you...." is not consistent with our language, "you will receive no medical benefit from participating in this study...." I have enclosed a copy of the script for your convenience.

If you need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Judy E. Carver".

Judy E. Carver, Secretary  
MDS Pharma Services Institutional Review Board
